Re: *United States v. Tymel Abrams*, 20 CR 352 (JMF)

Dear Judge Furman,

With the consent of the defendant, the Government respectfully makes an initial request for an adjournment of the sentencing currently scheduled for Tuesday, September 20, 2022 at 3:15 PM for approximately two weeks to a date and time of convenience for the Court. The undersigned and lone representative of the Government assigned to the above-captioned case from its inception unexpectedly and suddenly was taken away from the metropolitan area earlier this week to care for a family member under ongoing circumstances that have not permitted the transfer of responsibility for the case in the ordinary course, which the Government will accomplish in the interim before any possible adjournment date should the undersigned representative of the Government remain unavailable.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
